Moving Forward with a New Friend

Wittus teamed up with social media guru Jon Chattman just 2 years ago and business changed. Moving Forward, a company that makes a big difference for small businesses just passed a 4 year milestone. Jon, the heartbeat of Moving Forward, does a super job covering all of the latest Wittus news.

Follow us on Instagram: [wittusfirebydesign](https://www.instagram.com/wittusfirebydesign) and Facebook: [Wittus-Fire by Design](https://www.facebook.com/Wittus-Fire-by-Design), for current stove trends and other stove/fireplace stuff. For more info on Jon: www.movingforwardpr.com

Waiting for the Shaker Stove

Looking forward, the Shaker stove will be back in stock in early 2023. The stove is currently undergoing the final testing process and we are gearing up to start manufacturing the stove. Existing orders will be filled first, and we plan to replenish stock as we

move ahead. The Shaker is worth the wait. Stay tuned for more detailed updates and availability.

Nice & Easy Grill Recipe

Grilling is one of the easiest ways to make delicious food in a timely manner. Cooking a recipe once is a learning experience, repeat it four or five times, and you make it your own.

Grilled Corn with Lime Butter

Ingredients:

½ cup Butter, room temp
¼ tsp Salt, Cinnamon & Cumin
8 ears of Corn, shucked
Cilantro for garnish

1-2 Chipotle Peppers
1 Zest of Lime (& juice)
Cracked Pepper

Light the fire and burn it down to medium hot coals. Mix chipotle peppers, salt, cinnamon, cumin, pepper & lime zest in a food processor, add butter until rough mixed. Place husked corn on greased hot grill, rotate until all sides are browned. Remove corn from grill and slather it with lime butter. Spritz corn w/ lime and sprinkle w / cilantro to serve.

Stove News

One Stop Shopping with Style

"There continues to be buyer interest as the trend for extended living space into outdoor residential areas keeps growing. Some customers have even set up outdoor offices for remote work and outdoor "bedrooms" in warm climates."

~ BPN News

Firebird Grill

The Wittus Firebird grill is made in the USA and designed by award winning Danish architectural designer, Bent Falk. It is made of durable cor-ten steel which takes on a beautiful earth tone patina when exposed to the elements. The curved shape of the grill functions like a funnel to

guide the smoke up and away from the chef. The grill rack is made of heavy stainless steel and can be placed in four different grill heights for the perfect grilling experience. Also included are four removable stainless steel stakes that can be used to secure the grill into the ground. See the Phoenix grill and other outdoor offerings from Wittus on our website www.wittus.com.

A Ceramic Beauty, Foculus Grill

An absolutely gorgeous outdoor grill, the Foculus from La Castellamonte, in Italy. Each artisan grill is individually crafted from the finest materials. The grill bowl sits on a chestnut wood trolley with wheels and can be easily moved around the patio. Available in three sizes, small, medium and large. See our website for more information. *Foculus in medium size with its proud owner Maria shown above.*

Designer Fire Poker

A beautiful fire poker that gets the job done, the Takk Poker from Harrie Leenders of the Netherlands. Shaped like a twig, this steel fire tool is durable and efficient with a leather handle that is cool to the touch. Don't miss this opportunity to poke your fire with style!
