July /August 2023

### Neighborly Visitors

A friendly visit from our supplier, Powrmatic of Canada. Wittus welcomed Luc Bachand of Powrmatic, and Michel Aubé from The Agency LLC to our showroom in Pound Ridge, NY. They bring us Spartherm stoves and

fireplaces which include the zero clearance Varia & Arte, The Modular 600 & 700 series freestanding stove and 600 & 700 fireplace inserts. See the full collection at [www.wittus.com](http://www.wittus.com).

### NEW! Shaker Outdoor Grill

A beautiful grill made of cor-ten steel that compliments Shaker style furniture. The Shaker grill made by Espegard of Norway is durable and can be used outdoors all year long. Designed with an inner chamber that helps conduct the heat and keep the outside of the grill warm to the touch. An air control function helps the fire burn evenly and the

removable ash pan inside the firebox allows for easy cleaning. Exclusive from Wittus this Summer.

### Field & Supply Show Review

The Field & Supply show in May at the Hutton Brick Yards in Kingston, N.Y. was a nice company day out. Stay tuned for Wittus updates for the next show October 6-8, 2023. Shown here: Niels & Alyce Wittus at the fair!

### Stove News

One Stop Shopping with Style

*"The major trend for 2023 is that eco-responsible fireplaces are becoming an intangible reality. Electric fireplaces, water vapor fireplaces, and automatic and secure ethanol burner inserts are the main winners through these profound changes."* ~ AFIRE Design

### Ecclectic Electric Fireplace

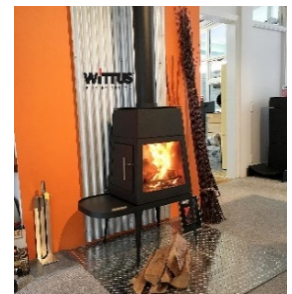

An elegant product that is easy to operate, the Orion linear electric wall hanging fireplace by Modern Flames. Available in 5 distinct sizes, with 3 flame patterns & 6

flame color options; all remote control operated. The only thing you need is an electric plug outlet to get the fire roaring. Give us a call at 914-764-5679, for pricing and more product info or visit our showroom at 40 Westchester Avenue in Pound Ridge N.Y. to see the fireplace in action.

### Shaker Wood Stove
