Shaker Stove Update 2022

Patently waiting for the return of the Shaker stove? Good news is coming soon. The Shaker stove has passed its preliminary tests and is awaiting final EPA approval. We hope to have the stove back in stock sometime this Spring. Stay tuned for more details and a tighter production timeline. We hope to share the news with you sooner than later. Thank you for your patience and commitment to the Shaker stove.

Foculus Outdoor Ceramic Grill

Hand made from the finest materials, the Foculus outdoor grill from La Castellamonte, Italy is a masterpiece. The ceramic bowl of the grill is glazed in whimsical patterns and the stainless steel cook-top is durable and easy to keep clean. Available in three sizes and a choice of matt white, terracotta, red, black or metallic black, all with the same base pattern. This grill

is a living form of art that makes delicious food. The Foculus grill was a participant of the T-Mobile grill giveaway and the winner was Maria B of NY. Congrats from Wittus!

5th Wood Stove Design Challenge

The new Alliance for Green Heat 5th Wood Stove Design Challenge features a series of virtual seminars with domestic and international scholars, experts and industry leaders. This international competition will teach consumers how modern technologies can help them use wood and pellets to meet renewable energy needs. Lugo Cookstove

A Cookstove with many options, the Lugo from Romotop, Czech Republic is amazing. The natural taste of food cooked on a fire is like no other, and the thermometer in the oven compartment makes cooking food to perfection so easy. The Lugo's well constructed stove body is

made of high-grade steel in a black finish. Tile cladding is available in a variety of colors and natural stone is an option. *The Lugo in steel is shown above.*

Domino 6 & 8 Maxi Cookstoves

A contemporary stove mixed with old world style, the Domino 6 & 8 Maxi from deManincor, Italy is so special. The fire door is fitted with a panoramic window so all the flames are visible. The firebox produces high heat output and is equipped with an ash pan. Also included are a thermometer, a humidity regulating system, a large baking rack and the option

of a solid or ringed stainless steel cook-top. *The Domino 8 Maxi in yellow is shown above.*
