## Wittus Newsletter

May /June 2024

### Visit the Wittus Showroom

Now that our Wittus sign has been replaced, it's easy to find us at our showroom located at 40 Westchester Avenue in Pound Ridge, NY. Spring is the perfect time to come and see our products in person, meet the Wittus team and Darby, our office dog and greeter.

Give us a call for product information, pricing and all things Wittus. 914-764-5679. We hope to hear from you soon.

### Shaker Stoves are Shipping Out

Celebrate contemporary design with the Wittus Shaker stove. Made in Denmark with the finest materials, the Shaker stove is designed to be a modern, yet classic home heater. Available in two distinct models, the Shaker short or long

bench with left and right side door opening options and top and rear vent capabilities. Place your order now for one of the most versatile stoves on the market. For more information visit our website at [www.wittus.com](http://www.wittus.com).

### On the Road Again

The Wittus Sprinter in action, Niels took to the road this week to visit Stove & Flag Works in Montpelier, VT. Wittus believes that making contact in person makes all the difference. Stove & Flag Works, a long time Wittus dealer has two locations (Montpelier shown here) and Williston, VT. They service the surrounding areas and are good, friendly local people. For more

information go to [www.stoveandflagworks.com](http://www.stoveandflagworks.com).

### Stove News

"One Stop Shopping with Style "

*"In today's fast-paced world, creating a warm and inviting atmosphere in your home is essential. Electric fireplaces have become a popular choice for homeowners looking to stay cozy all year round. These innovative heating solutions not only provide warmth, but also add a touch of elegance to any space."*

*~ Fireplaces USA*

### Freestanding Electric Fireplace

A beautiful electric fireplace made by British Fires in the UK. Bring the light into your living space with this unique home heater. The chamber of the firebox is fitted with handpainted logs that are styled after actual forest

specimens. Paired with the 3D downlight effects and a reflective mirror behind the flames, the fire looks real. The Air Curtain Technology circulates warm air into the room for a cozy atmosphere. *Bramshaw model shown here.*

### Linear Electric Fireplace

A built-in wall mounted electric fireplace of the ages, The Orion from Modern Flames. Add the unit to a windowless room and bring in the light. Equipped with special features, new innovative Heliovision flame technology, Wifi , remote and manual controls, multi-color ember bed and down lighting,

and multi dimensional flame appearance. Available in two styles: Orion Multi and Slim. Four sizes available: Orion 52", 60", 76", and 100". Come and visit our showroom and see it for your self. *Orion 52" slim shown here.*

### Wood Holder

The Jana Wood Holder from Ferarri, Italy. A beautiful solution to in-home wood holders. Made of high quality leather, this wood holder is perfect for spaces that want an extra bit of wood on hand. Available in Red, Black, & Gray. See our website for more fireplace accessories.
