Wittus On the Road

Visiting clients is a way to connect outside of the office. Niels and Alyce Wittus recently took a road trip to deliver Wittus products to a client in Ancramdale, NY and made a stop at The Farmers Wife, a quaint cafe along the

way. Great food, nice people and outstanding local cheese! *The Wittus van shown above, Niels Wittus featured with special Nimbus cheese shown left.*

'Tis the Season to Cook

The temperature is cooling down, it's time to get cooking. Having a wood burning cook stove in your home can only add to the fun. Wittus has a line of beautiful cook stoves from deManincor, in Italy. Domino 6 & 8 Maxi, Domina, Eco 80 & 90, and Atmosfera are all on the roster. See our website for more information or give us a call at 914-764-5679. *Domino 8 Maxi with stainless steel shown above.*

Quick Start Fire Starters

Start your fire with ease with these Quick Start fire starters. Individual gel packets that come in a box of 100. Easy to use alone or with kindling and newsprint, these fire starters will make lighting a fire exciting. In stock and ready to ship.

Stove News

One Stop Shopping with Style

"Do you dream of a beautiful fireplace, but your home has no chimney? A zero-clearance fireplace will allow you to realize your project. In fact, these units can be used in homes that have no existing fireplace installation. All you need is a wall facing the exterior of your home or an interior wall facing another room."
~INT.design

Spartherm Zero Clearance Built-ins

Contemporary German hearth products from Spartherm, these zero clearance fireplaces come in two distinct models, the Varia and Arte. Perfect for rooms that want to add a

fireplace at an affordable price. All models are approved to UL and ULC safety standards. The Varia and Arte qualify for the federal tax credit, more info at www.hpba.org. *Varia 2R corner shown above.*

Spartherm Modulares

Another great product from Spartherm, the Modular free standing stove. Available in two sizes the 600 & 700 with 4 bench choices. The Modular is perfect

for spaces that want to add a wood burning stove to maximize on the homes heating capacity. *600 Modular with base C shown above.*

Spartherm Wood Inserts

Stop letting your heat go up the chimney and start heating your home with the traditional wood insert from Spartherm. Available in two sizes, 600 & 700. It's the perfect solution for an already existing open

hearth. *700 Insert shown above.* See our website www.wittus.com for details on all Spartherm products.
