

## Wittus Newsletter

November /December 2025

### Big Chair, Big Business

Who's that sitting in the big chair? Why, it's Alyce Wittus. Sometimes it pays to sit back and take in the view. The stove and fireplace season is in full swing, and it is showing signs of getting back to business as usual. Give us a call and let us know how you are doing. Is your business heating up? Do you need any new materials for your showroom? Do you have questions on current Wittus

products? Our dealer log on is located at the bottom of our homepage [www.wittus.com](http://www.wittus.com), ID: dealer PW: fire.

### Shaker Stove Extravaganza

Such a beautiful stove, the Shaker wood burning model. Available in two styles, the Shaker short or long bench with right or left side door opening options and top or back vent capabilities. Come to our showroom to see the Shaker on display. We are located at 40 Westchester Avenue, Pound Ridge, NY. Or give us a call at 914-764-5679 to schedule a showroom visit.

### A New Shaker Museum

A new home for all things Shaker. The Shaker Museum in Chatham, NY is housed in a four-floor historic building that includes a modern addition which surrounds a public garden. This will be the world's most significant collection of Shaker material

gathered in one place. A true dialogue between the past and the present, the Shaker Museum is worth a visit. [www.shakermuseum.us](http://www.shakermuseum.us)

*Shown right, newly appointed museum Executive Director Claudia Gould.*

### Stove News

“One Stop Shopping with Style “

*“Firewood is a very low-carbon heating fuel assuming it's harvested sustainably, which is not a problem today in New England. Homes heated with pellets or wood do not contribute to the devastating impact that fossil heating fuels have had. Wood heating also has a major health benefit because the exercise of chopping and stacking wood is not to be underestimated.* ~John Ackerly

### Cook Stoves with Style

Cooking at home on a wood burning stove from De Manincor, Italy couldn't be more fun. Available in two distinct models, the Domino 6 & 8 Maxi and the Domina. Each version has a steel cook top, a generous firebox, and cooking and baking oven. Have some fun in your kitchen this winter. See all product options on our website under the cookstove product listing.

### Stack Stove, La Castellamonte

Beautifully crafted ceramic stoves from Italy, made by La Castellamonte. All parts equal a whole, the stove design is based on the concept of modular components which utilize individual sections that are stacked. Each stove is made by hand that meets the highest quality standards. See

all the available models on our website including the Stack and Rondo models. [www.wittus.com/stack](http://www.wittus.com/stack).

### Cubi Slim Available Now

A special stove in stock and made in Italy by La Castellamonte. The Cubi Stack Slim in gloss blue is available and ready to ship to one lucky customer. See available products on our website under the Stack stove listing and give us a shout if you

are interested in this stove or any other Wittus products. *Mini stack wood in blue shown above, and Cubi stack slim in Red shown at right.*
