### We Have a Winner!

Wittus likes to play our part when it comes to contributing to a good cause. We recently participated in the 20th Annual Auction for the Music Conservatory of Westchester.

The winner, Jonathan Krukastook took home the Takk Fire Poker (shown above left). Proceeds from the auction go toward their Music Therapy Program serving children and adults with disabilities, the Healing our Heroes Veterans Program for veterans dealing with combat-related injuries, and the Scholarship Program providing financial assistance to children for them to receive a quality music education. When you use a wood-burning source of heat, you gain much more than a lower heating bill and a mesmerizing flame to curl up on the couch in front of on a cold night!"*
