A Showroom Visit

It's always nice to see an out-of-town representative. Michele Aube, from The Agency LLC came from his home base in VT to say hello and show us what's new. Wittus carries a line of beautiful products by Spartherm. The Arte & Varia, and the 600, 700 & 800 modulares, inserts and the zero clearance units. See our website www.wittus.com for more product information or give us a call at 914-764-5679. Now is the time to take inventory and re-stock your showroom.

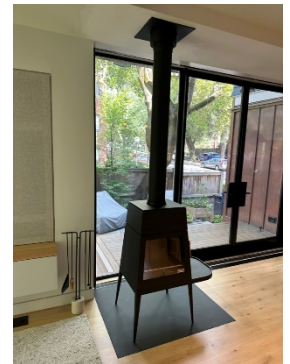

Stove News

"One Stop Shopping with Style "

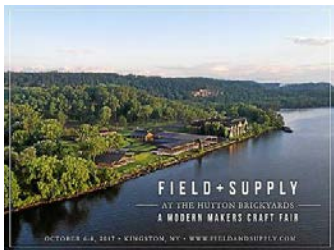

"Devoutly religious and committed to simple living, the Shakers imbued everything they made with uncommon grace- from modest oval boxes to furniture, textiles and even architecture. Their minimalist designs included no excessive ornamentation. Instead, the Shakers concentrated on the harmony of form and function, creating pieces renowned worldwide for their simplicity, utility and impeccable quality."

Shaker Wood Stove

The Shaker is back! We welcome the latest batch of Shakers the month of September. We will be filling existing orders but we do have a few extras on this shipment, so place your order now. And don't forget that the Shaker qualifies for the Federal tax rebate, www.energystar.gov. Wittus Shaker stoves are top or rear vented, come in two models, Shaker short and long bench with right or left side door opening options, and are EPA certified.

Field & Supply Show

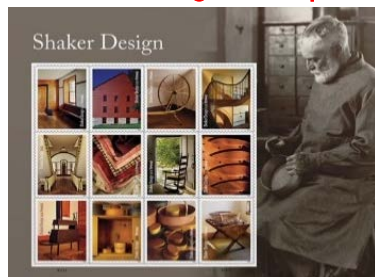

A great gathering of local Hudson Valley vendors and craftspeople, the Field & Supply show at Hutton Brick Yard in Kingston, NY October 11-13. See the Phoenix outdoor grill / firepit in action at the fair grounds. This show

is a special affair showcasing artisans big and small and is worth a visit if you are in the area and want to have a nice day out. Go to www.fieldandsupply.com for more show information.

Shaker Postage Stamps

The US Postal Service has issued a collection of 12 new stamps in honor of the 250th anniversary of the arrival of the first Shakers in America. The beauty and simplicity of Shaker design carries

through in all aspects of life including home heating. The first Shaker stoves were small and efficient and were portable enough that they were packed away in the Summer when not in use. Come and see one for yourself at the Wittus showroom. *Vintage Shaker stove shown above at left and Wittus Shaker stove at right.*

Spartherm Products

Spartherm, from Germany produces many great products. Wittus has the pleasure of offering a versatile line of zero clearance fireplaces, freestanding stoves and fireplace inserts. The Arte & Varia zero clearance fireplaces have a retractable gilloutline door, the modular 600, 700 & 800 freestanding fireplaces have a choice of bench options and the 600, 700 & 800 fireplace inserts are perfect for homes with already existing open hearths. Make your home energy friendly by adding a fireplace from Wittus. *Spartherm 700 insert shown above.*
