Back to Business this Fall

It's time to get back into action, one cold night and the phone will be ringing, is your showroom in tip-top shape? Take a moment to review your Wittus materials and tell us what you need. Give us a call

914-764-5679 or e-mail us at reply@wittus.com for brochures, product inquires, or anything else that may come to mind.

Wittus Tariff News

World wide tariffs are upon us and Wittus' must align with current market values. Due to the situation, a 10% tariff is being added to all new orders. Excluded from this conversation are the Phoenix and Firebird grills, the classic cookstove and the Flatfire, which are made in the USA. With that said, we would like to take a moment and thank you for your loyalty to the Wittus brand.

Wood Stove Federal Tax Credit 2025

Wood stoves qualify for the Energy Efficient Home Improvement Credit in 2025. A tax credit for homeowners who make qualified energy-saving improvements to their primary residence in the USA. The program offers a credit amount of 30% of the purchase and

installation cost, capped at \$2,000.00. Effective dates are 1/1/2023-12/31/2025. **The stove must be purchased and installed before the deadline; the tax credit will not be available in 2026.** Go to www.irs.gov

Stove News

“One Stop Shopping with Style “

“Modern wood-burning stoves are significantly more efficient and cleaner than older models, thanks to advancements in design and technology. They feature improved combustion systems, resulting in lower emissions, reduced wood consumption, and potentially lower fuel costs.”
~AI Overview

Stack Stove, La Castellamonte

Beautifully crafted ceramic stoves from Italy, and made by La Castellamonte. All parts equal a whole: the stove design is based on the concept of modular components which utilize individual sections that are stacked. Each stove is made by hand to the highest quality standards. See all the

available models on our website including the Stack and Rondo models. www.wittus.com/stack.

Shaker Stove Extraordinaire

Celebrate the Shaker stove, a beautiful contemporary classic. The Shaker stove is a cameleon that can adapt itself to every design scenario. Available in two distinct models, the Shaker short and long bench with right or left side door opening options. *Shaker short left shown above.*
